**Brief Description Of Services :**

At Boulder Crest Foundation we are honored to serve our nation's Combat Veterans and First Responders. Through the science of posttraumatic-growth it is our mission to deliver training and education programs that aide these warriors and defenders in transforming their deepest struggles into profound strength.

This video, On Duty, is an emotionally powerful depiction of what our first responders and combat veterans encounter prior to, during and after experiencing our programs. We invite you to help us achieve our mission to enable combat veterans and first responders to overcome and grow out of the pain and into the next chapter. #operationstrugglewell.
