Mission Statement

To provide addiction treatment of high quality and moderate price, across the spectrum of severity of illness and levels of care; and given Wyoming's sparse population, to creatively adapt our services to meet the diverse needs of its communities.

Our setting is a comfortable and warm environment fostering recovery and a quality of life for our patients. Wyoming Recovery is not a lock-down treatment and recovery facility. We offer an open setting and encourage communication and involvement in community activities and recovery programs.

Welcome Statement

Our central location in Casper allows Wyoming Recovery to offer addiction treatment to patients from all over the United States. As a freestanding addiction treatment center, we provide affordable and tailored treatments based on our unique philosophy and recognized best practices. We offer support in all phases toward your sobriety. The staff at Wyoming Recovery is made up of committed professionals whose mission is to guide you toward and through certain steps to recovery from your addiction(s). We provide [multiple levels of care](#), active case management, [co-occurring mental health treatment](#) and medical evaluation on site.

Our Facility

The Wyoming Recovery campus features four converted residential homes that provide a casual, homey atmosphere just one block east of Wyoming Medical Center. Residents are housed in a supervised, safe, and nurturing environment. Inpatient meals are provided through cooperation with Wyoming Medical Center and the 12/24 Club, complemented by trips to local restaurants. [Learn more about what to expect as a Wyoming Recovery residential treatment patient](#) or [contact us to start the admissions process](#).

Our facility is licensed by the State of Wyoming Department of Health and accredited by the Joint Commission as a Behavioral Health Care Accreditation Program.

Admission to Wyoming Recovery

Our patients suffer from addiction, and they don't suffer alone. Addiction is a growing problem and it affects everyone in the community — the addicts, their loved ones, their friends, their employers and their co-workers — and we all have to play a role in the recovery process.

If you — or someone you know — is suffering from an addiction illness we hope that you will find the courage to visit us at Wyoming Recovery and discover the path to a healthy, sober, drug-free lifestyle. To get started on your road to recovery, please call (307) 224-9470 to speak with a case manager.
